

## P Stanley Associates Ltd

### Ways to make your business prosper

P Stanley Associates Ltd is an independent consultancy led by Philippa Stanley, an experienced environmental consultant, specialised in providing holistic solutions to manage Environmental impacts within organisations.

Our aim is to help you achieve a more sustainable business through the use of creative and critical thinking.

### Why choose us?

Just a few things that our clients have said about our services:-

"Supremely professional, personable, engaging and friendly with an extensive knowledge in her field" [UK Laser Supplies](#)

"We were particularly impressed with the way Philippa communicated with our staff at all levels " [Fourfront Group Ltd](#)

" A Key resource and a trusted colleague" [Greenworld Sales Ltd](#)

"I would highly recommend Philippa as a trainer" [WETC Ltd](#)

### A profile of Philippa Stanley

As a Chartered Environmentalist with more than 20 years of experience gained within a variety of both public and private organisations, Philippa has degrees in both Environmental Science and Environmental Management. Philippa is a Member of the Chartered Institute of Waste Management (CIWM) and Associate Member of the Institute of Environmental Management and Assessment. A Registered Environmental Auditor, Philippa is also a qualified PTTLS trainer and an approved tutor for the NEBOSH National Certificate in Environment Management course.
