

P Stanley Associates Testimonial

Philippa came in to provide training and consultancy to our Health and Safety team with a brief of making UK Laser Supplies ISO14001 compliant.

Philippa set out a structured business plan and over 10 sessions at our offices, provided excellent, concise training guidance and support.

Philippa's extensive knowledge, professionalism and focus comes across in all aspects of the training and support. Philippa was always available on phone and email between sessions to provide information, answer questions and offer advice at any time.

UK Laser Supplies were awarded ISO14001 accreditation only 6 months after starting to work with Philippa.

Supremely professional, personable, engaging and friendly with an extensive knowledge in her field.
